Subject: FW: Question on Rosemount Copper Project - Additional R9 comments?

Hi Rob and Kelly – A stakeholder originally reached out about comments Region 9 transmitted to USACE last November regarding the Rosemont Copper mine in AZ and 404 CWA permitting issues. R9 comments → <http://www.rosemontminetruth.com/wp-content/uploads/2018/01/epa-2017-critique.pdf> The stakeholder believes R9 may have filed additional comments since that last November and wants to check. Any help/recommendations you could offer in confirming is greatly appreciated.

Thanks,
Drew
